STILL IN 2053, TWO WEEKS AFTER OUTBREAK, DRAGON AND WEED ARE NOW PARTIES TO THE SAVIL SHIPS WITH THEIR NEW AND OLD ALLIES ON A MISSION TO LOCATE THE TERRORIST CALLED "WHITE MASK". DRAGON, WEED AND THEIR ALLIES WILL SOON BE FACING NEW ENEMIES: THE FALLEN.

A UNIT OF NEW SYNCHRONIZED AND SAUN OLD MEMBERS IS CREATED

THE DUO WILL ALSO ELIMINATE THE "THE FALLEN" GROUP AND TO DISCOVER THE PLANS OF THE WHITE MASK

Author's notes: Dragon and Weed Origins is an amateur series created by a fan for fans. You are free to redistribute the chapters, but for free

The style proposed in this new part (Season 2) between Chapters 30 and 73 are adapted version of BD-video.
So you can still see the evolution of the graphic style throughout the story

Finally I thank the broadcast partners (English speakers and French), as well as the official translator of the series, Gise DAUPLAIS

Good read, AxelTheta
